Preferred Destination City: _____

Contact Name at Destination City: _____

Telephone Number of Contact at Destination City: _____

How many Passengers? _____

Will a return flight be necessary? No Yes If yes, what date? ____/____/____

Other important information:

1. **In an effort to be good stewards of the resources God provides Pilots for Christ, we seek to focus our services on individuals and families during their critical time of need, such as urgent treatment and terminally ill family members needing to reunite at home or reunite at a treatment facility. Normally, it has been our experience that the early stages of treatments for various medical conditions are quite simply regular doctor's visits, entail no medical procedures are not in need of our urgent services. Likewise, after successful medical procedures and/or operations, there are many visits to have a short medical checkup. Our ministry is to be available to those in times of need. In order to do this, we must limit our services to be available during the time when actual urgent travel, medical procedures/treatments are being administered, or a loved one's end of life is near. Still overall we will consider any reasonable request for urgent travel.**
2. Travelers must be aware that we do not arrange ground transportation,
3. Passengers should be aware that luggage may incur an additional charge.
4. Is the destination city served by a commercial airline? This will help determine the cost effectiveness of this trip.
5. The person(s) must require no en-route medical care or assistance.
6. We appreciate your understanding of our guidelines in order that we may more effectively serve those in need.

Pilots for Christ International Photo Release Form

_____ gives permission to Pilots for Christ International,
(Signature of Patient or Patient's Guardian)
to use any photograph(s) taken before, during, or after this mission flight for fundraising purposes associated with the promotion of Pilots for Christ via news releases and/or other printed materials and does also relinquish any rights of ownership to said photograph(s).

Date: _____

Pilots for Christ Representative: ___ Timothy R. Layne _____

PCI requests that a photograph of each person traveling be sent via the internet or cell phone. We will not use your photo unless you provide your permission. We will however keep the photo on file for audit and review of our supported missions, by various government agencies. A separate release must be signed by each individual traveling by aid through PCI.

Thank you!
